

EVENT KITCHENS

STANDARD KITCHEN

Access	The kitchens are delivered behind a 7.5t lorry and have a combined length of 16mtrs, if access is not suitable for this size of set up then the kitchen can be un-hitched and positioned with a 4x4, forklift, tractor etc. provided by the customer
Power	Each kitchen requires 2no. 32amp single phase power. These can be from either the mains or a generator
Water	A mains supply is preferable and we will connect to this, alternatively a suitable bowser.
Drainage	The kitchens have internal waste tanks which can gravity drain or pump to a suitable drain or tank, alternatively they can be emptied by vacuum tanker
Gas	2no. 47kg propane on an automatic change over valve will be provided with the kitchen and usage will be charged for.
Canopy	2mtr deep canopy/awning is available to allow linking of the kitchen to marquees or buildings.
Equipment	2no. 6 Burner Ovens, Double basket table top deep fat fryer, Hot cupboard, 49cu/ft fridge, Dishwasher, 3no. sinks, Stainless steel work surfaces, hot and cold water
